

Remote Work Policy

Document Owner	IT & Operations
Department	IT & Operations
Effective Date	June 1, 2025
Lifecycle Status	Active

1. Purpose

This policy defines expectations for employees working remotely, including eligibility, equipment, and security requirements.

2. Eligibility

2.1 Full-Time Employees

Full-time employees are eligible for remote work after completing a 90-day probationary period, subject to manager approval.

2.2 Contractors

Contractors may work remotely if specified in their statement of work.

3. Equipment Allowance

The table below outlines the equipment stipend by role level.

Role Level	Annual Stipend	Approval Required
Individual Contributor	\$500	Manager
Senior IC / Lead	\$800	Manager
Director+	\$1,200	VP

4. Security Requirements

All remote employees must use company-issued VPN software and enable full-disk encryption on any device used for work purposes.
